RE: Response to CDPHE, EPA, and USFWS Comments to the October 2005 Draft RCRA Facility Investigation – Remedial Investigation/Corrective Measures Study - Feasibility Study Report for the Rocky Flats Environmental Technology Site

The Colorado Department of Public Health and Environment (CDPHE), Environmental Protection Agency (EPA) Region VIII, and the U.S. Fish and Wildlife Service (USFWS) provided comments to the October 2005 Draft RCRA Facility Investigation – Remedial Investigation/Corrective Measures Study - Feasibility Study Report for the Rocky Flats Environmental Technology Site (Report). A response to comments was prepared and reviewed by the agencies for each of the comments formally transmitted. Attached are the response to comment files, by section, to the body of the Report. Section 7.0 CRA Summary is new in the June 2006 release, and therefore, will not have response to comments. The PDF attachments below are labeled according to the section numbers in the current release.
